

5 Things You Didn't Know About Cruising

(AND WHY YOU SHOULD GIVE IT A TRY!)

TRAVELS

Myth Buster: Cruising is NOT just for grandparents!

01

Think cruising is all shuffleboard and early bird specials? Think again! Today's cruises cater to every age and interest, from families with kids to adventurous millennials. Get ready for thrilling water slides, rock climbing walls, Broadway-style shows, and nightlife that rivals the hottest clubs!

Wallet-Friendly Voyages: Don't Worry! Cruising Can Be Surprisingly Affordable

02

Cruising doesn't have to break the bank! 💰 With all-inclusive options and deals galore, you can often score a cruise vacation for less than a land-based trip. Plus, no need to worry about finding restaurants or transportation – it's all included! AND as an added bonus we can even do the work of finding the perfect cruise line and deal for you so you don't have to waste your time comparing all of the options!

Beyond the Buffet: You Can Turn Your Time at Sea into a Foodie Experience

03

Forget those old-school cruise buffet stereotypes. Today's ships boast incredible dining options, from Michelin-starred chefs to authentic ethnic cuisine. Get ready to tantalize your taste buds with culinary delights from around the world. Some cruise lines even have even done away with specialty dining instead offering over 20 restaurants for you to choose from ALL included in the fare!

Adventure Ahoy! There are SO MANY cruises that go beyond the beach.

04

Think cruises are all about lounging by the pool? Think again! Expedition cruises take you to remote corners of the world, like Antarctica or the Galapagos Islands. You can kayak with penguins, hike on glaciers, and witness incredible wildlife.
